

Tuition, Fees

Enrollment fees are set by the state at \$36 per unit but they could be raised through the budget process. If they are changed, students will be notified of the additional amount owed via their college email. Bills are not mailed to students, they are available under the Schedule/Bill item in BanWeb. Prior to (10) days before the last day of open registration, students may be dropped for non-payment of enrollment and non-resident tuition fees ten (10) days after the date they registered for the particular course(s). After that day students will not be dropped for non-payment of enrollment fees or non-resident tuition; however, these students will have holds placed on their transcripts, grades, and diploma until the fees are paid.

Other Fee Information

Fees may be paid by MasterCard/Visa on the Web, by check through the mail, or in person at the Business Services Office (days). Checks should be made payable to Bakersfield College for the amount of the fees due and should include your student ID number on the front of your check. There is a \$25 charge for any check returned to Bakersfield College by a bank because of insufficient funds.

Non-resident tuition is \$173 per unit. There is an additional capital outlay fee of \$30 per unit for all non-california resident students.

Students who attended a California high school for at least three years and who have a California high school diploma or equivalency may have their non-resident tuition waived.

A Student Health Fee is charged to any student attending classes on the main campus or the Delano Community Campus. The health fee is \$13 for fall and spring and \$10 for summer. Apprentices attending college under an approved apprenticeship training program, students who depend upon prayer for healing in accordance with a bona fide religious sect, denomination or organization and employees of the Kern Community College District, are exempt from paying the health fee.

A Student Center Fee of \$1 per unit up to \$5 per semester is charged to students attending classes on the **main** campus.

A Student Representation Fee of \$1 is charged to all students.

An ASBC sticker available for \$15, will allow you to get a free unofficial transcript, free legal advice, discounts to athletic and fine arts events, discounts at the Bakersfield College Bookstore and more. You can purchase your sticker when you mail your enrollment fees or in the Business Services Office. The card can be picked up in the Student Activities Office, 395-4355. (Make sure that you have your receipt.)

A Parking Permit is recommended. Cost is \$30 for Fall and Spring and \$15 for Summer. The permit authorizes parking in designated Student Parking areas any time during the school term on the main campus. A free parking area is available in the west section of the parking lot at the corner of Haley and University (southwest corner of campus). A student parking permit is required to park in all other parking lots. Student permits are available at the dispensers located in all parking lots. You can purchase your parking permit at "thepermitstore.com". **Miscellaneous fees** for supplemental materials and/or supplies may vary depending on classes taken.
